

HINOWATCH

WE'VE GOT YOU COVERED!

For the first three years of ownership, HINOWATCH is there to make sure you are protected day and night, year round – with roadside assistance for your Hino truck.

HINOWATCH covers the following at no charge to the customer:

LOCKOUT SERVICES

If keys are locked inside the cab, HINOWATCH will help get you back in your truck and on the road.

OUT OF FUEL

HINOWATCH will arrive with fuel to get you on your way.

BATTERY JUMP-START

Whatever the reason, HINOWATCH coverage means that someone will be available to give you a jump-start.

WARRANTY TOWING

HINOWATCH will assist the customer in arranging for a tow therefore the customer must contact HINOWATCH (1-866-365-4466) to request towing assistance. Have your vehicle identification number (VIN), current truck location and problem description ready when you call. All calls to HINOWATCH are toll-free and problems can be discussed with a Customer Service Representative in one of sixty-five languages.

We will arrange a tow truck, when needed, back to the closest Hino dealership. If no dealership is available, then the truck will be towed to one of our preferred repair facilities.

Please fill in the information below.
Hino Vehicle Identification Number

THE HINO OWNER ADVANTAGE.

It is the customer's responsibility to coordinate a method of payment with the tow provider at the time the services are rendered. The truck must be towed to the closest authorized Hino dealer and if the necessary repairs are covered under Hino warranty, the Hino dealer will reimburse the customer for the tow expense upon completion of the repairs. If the necessary repairs are not covered under Hino warranty, the tow expense will not be reimbursed.

This flyer contains valuable information about your Hino vehicle. You will need this information when you call HINOWATCH for any roadside assistance service.
